A doctor on his morning walk, noticed an older lady sitting on her front step smoking a cigar, so he walked up to her and said, "I couldn't help but notice how happy you look! What is your secret?"

"I smoke ten cigars a day, " she said. "Before I go to bed, I smoke a nice big joint. Apart from that, I drink a whole bottle of Jack Daniels every week, and eat only junk food. On weekends, I pop pills, get laid, and don't exercise at all."

"That is absolutely amazing! How old are you?"

"Thirty-four," she replied.

Subject: She shot a mugger 6 times

A woman was called in front of a Texas Grand Jury for manslaughter after she shot a mugger 6 times in the back as he was running away with her purse.

He grabbed the purse and ran, she had her hand on the gun in it, and was left with the revolver in her hand

When asked by the Grand Jury why she shot the man 6 times in the back as he was running away, she replied under oath. "Because when I pulled the trigger the 7th time it just went click"

Acquitted of all charges!

Arcelor-Mittal Steel, feeling it was time for a shakeup, hired a new CEO. The new boss was determined to rid the company of all slackers. On a tour of the facilities, the CEO noticed a guy just standing around and leaning against a wall. The room was full of workers, and he wanted to let them know that he meant business. He asked the guy, "How much money do you make a week?" A little surprised, the young man looked at him and replied, "I make \$400 a week. Why?" The CEO told him, "Wait right here?" He then walked back to his office, came back in 2 minutes and handed the guy \$1,600 in cash and screamed, "Here's 4 weeks' pay, now GET OUT and don't come back." Feeling pretty good about himself, the CEO looked around the room and asked, "Does anyone want to tell me what that goof-ball did here?" From across the room came a voice, "Pizza delivery guy from Domino's."
