

The SIR Quest for the Best Burger in Sacramento

16 burger experts from Branch 93 met at Brick House in Elk Grove on March 29th for our second monthly quest for the best burger. We had a great time renewing old friendships while enjoying delicious burgers. Enjoy the photos of the outing [here](#).

Each of us evaluated the restaurant on a scale of 1 to 5—see the summary below. We liked Brick House better than Burgers and Brew in 6 out of 7 categories, so Brick House is the new winner of our quest for the best!

Burger	4.3
Sides	4.3
Service	4.4
Ambiance	4.3
Location, Parking	4.8
Value	4.3
Overall	4.4

But wait—there's more to come! On Monday April 25th we will continue the quest at the Buckhorn BBQ + Grill, 4720 Freeport, Sacramento. The burgers and the company are always good with SIR Branch 93.
